

14. OPEN BRAUNAU AM INN 2019

13. - 15.12.2019 / Ranshofen - Castle

Chess in the county of peace

"Gens una sumus"

("We are one family"- Slogan of the international chess federation)

Historical responsibility led County Supervisor Dr. Georg Wojak within the framework of Upper Austria's motto-counties to proclaim the county of Braunau as "County of Peace". The chess open Braunau therefore adopted a symbol for a peaceful cooperation of nations and generations. Chess players of within our home country and those from foreign countries have the opportunity to become acquainted with the town and county of Braunau and to make new friends during the open.

Braunau am Inn offers several additional attractions for visitors: The picture perfect scenery of the city center dating from the middle ages invites you for a leisurely stroll and the considerable bargains entice you with shopping excursions. Sport enthusiasts will love the numerous opportunities for leisure activities and many restaurants and bars ensnare you with their culinary pleasures.

Mainly **chess will not be missed out:**

Within three contests (tournament A, B and C) all chess enthusiasts will find the right challenge.

Also at the youth tournament U14, where much chess is offered - with a 1 hour time-limited double round, there is no chance for boredom.

We cordially invite you to the Braunau Open 2019 and wish you an exciting chess week in the County of Peace - Braunau am Inn!
